Dear Couple:

Thank you for inquiring about having your wedding at **Slide Rock State Park**.

Our Wedding Package can provide you with a wedding site, and a ramada for the reception. We do not have a private changing/preparation area. Please call for available dates. We cannot accommodate your wedding during the summer months (Memorial Day weekend through Labor Day weekend).

Attached you will find your application, the prices on our facilities, an indemnification form to be completed and returned along with your check. Fees are non-refundable. Payment is due within 10 days of Request to Hold Reservation. You must send these documents to the Park prior to the issuance of a permit. Your cancelled check will be your confirmation.

Arizona State Parks Rules and Regulations will be observed. Proposed changes in your schedule or activities must be pre-approved by the Park Manager or his representative.

PLEASE NOTE: The Slide Rock Swim Area is U.S. Forest Service Property. If you wish to use the swim area for your ceremony you must contact Judi Adams at the Sedona Ranger District, (928) 282-4119 for a federal permit.

Thank you again for considering **Slide Rock State Park**. We look forward to serving you. Please feel free to call us if you have any questions.

Sincerely,

Steve Pace
Park Manager

All decorations, etc. must be portable and free-standing. No fixtures or other decorations may be planted. Please note that no chairs or tables are provided by the park at the wedding site, except the picnic tables in the ramadas.

Weddings are prohibited between the Friday before Memorial Day and the Tuesday after Labor Day.

Wedding Permits

1. The Park Manager may require a permittee to post a deposit against damage and clean-up expense, special insurance, and provide adequate medical, sanitary, and security services during the term of the Wedding Permit. Damage deposits will be retained when, in the judgement of the Park Manager, facilities are not left in the same conditions as when the activity commenced.
2. Persons entering a park under a Wedding Permit shall be subject to all applicable park user fees and rules.
3. If the permit approval turn-around is needed within 48 hours of the actual time of use, an additional \$100 is added on to the fee.
4. If the use of the park requires any waiver of existing Arizona State Parks Rules concerning use or manipulation of the park facilities, development or resources, an additional \$100 is added on to the fee.
5. The Park Manager may deny a Wedding Permit, which otherwise meets requirements of this rule, only for health and safety reasons or to protect the park from significant damage. Permits are granted on a first-come, first-served basis subject to the state conditions of this rule.
